

CLASH/ALLIANCE SCENARIO

SHATTERED ALLIANCE

Author: Laamakala

Once united, the great kingdoms of Aldara now stand divided. Betrayal and ambition fuel the fires of war — who will forge a new order?

SCENARIO LENGTH

This Scenario plays out over 14 Rounds.

PLAYER SETUP

Player Count: 6P FFA, 2v2v2 Alliance.

Starting Resources: 13, 1, 1

Starting Income: 10, 0, 0

Starting Units:

- 2 × Chosen Neutral Units from the closest starting player's Faction

Town Buildings: Citadel

Map Tile Pool: Each player takes 3 random Far (II–III) Map Tiles.

MAP SETUP

Take the following Map Tiles and arrange them as shown in the Scenario map layout:

- 6 × Starting (I) Map Tiles
- 12 × Near (IV–V) Map Tiles
- 3 × Center (VI–VII) Map Tiles

VICTORY CONDITIONS

The game ends when any of the following conditions are met:

- One player has defeated every opponent's Main Hero at least once. *That player wins the game immediately.*
- At the end of Round 14.

VICTORY POINTS

If no player has achieved immediate victory, the player with the most Victory Points (VPs) wins. When the game ends, the players gain:

- 3 VP for winning a Level VII Combat.
- 2 VP for defeating the Main Hero of your closest starting player. *Once per Faction.*
- 1 VP for defeating another player's Main Hero. *One per enemy.*
- 1 VP for possession of the Grail Token.

TIMED EVENTS

End of 2nd Round:

- Each player may resolve all Fields their closest starting player visited this Round. (Do not increase any income.)

5th Round:

- Remove all Black Cubes from the map except those on Learning Stones.

End of 6th Round:

- Each player may resolve one Field their closest starting player visited this Round. (Do not increase any income.)

7th Round:

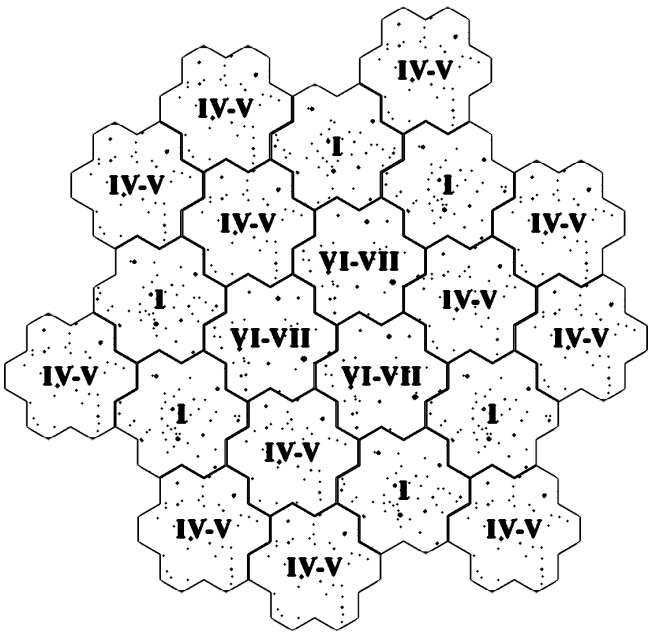

- Each player may recruit one Neutral Unit from their closest starting player's Faction for half its recruitment cost.

11th Round:

- Repeat the events of Rounds 6 and 7.

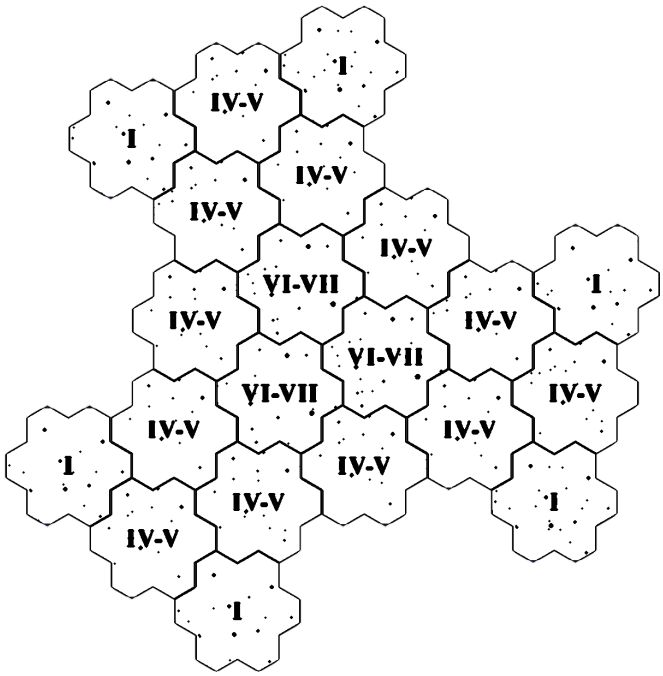

ADDITIONAL RULES

- Each player may, once per Round, replace one Neutral Unit with a Neutral Unit of the same tier from their own Faction when their closest starting player starts a Level I–III combat.
- **Sanctuary:** Choose 1 from your M&M Deck and add it to your hand, then reshuffle your Deck. *Visitable once per Faction.*
- **Obelisk:** Choose 1 from your M&M Deck and add it to your hand, then reshuffle your Deck.
- **Dragon Utopia:** Defended only by Dragons. Recruit one Neutral Dragon you defeated for half its recruitment cost (rounded up). *Trading Post conversion may be used for this.*
- **Random Town:** On the next Resource Round, you may recruit one **Faction Unit** from the defending Faction for free.
- **Level VII Settlement:** You may Reinforce one Unit for half its Recruitment cost **and** increase all incomes by one space.
- Level VII Neutral Combats cannot be skipped.

SCENARIO MAP LAYOUT

- **Grail Token:** When gained, draw Cards up to your limit. If you start your turn with the Grail Token, gain , 10 , and 2 . If a Hero carrying the Grail Token is defeated, the Grail Token is given to the winner of that Combat.
- If a Hero with the Grail Token uses Dimension Door, Fly, or Town Portal, the Grail Token is dropped on the origin Field before the Hero moves.
- A defeated Main Hero may Empower one Statistic Card from their Deck of M&M.
- With fewer than 6 players, the unused Starting Towns are defended exactly as a Random Town.
- Flagging an unused Starting Town increases two separate incomes by 1 space.
- When a Hero moves to a Starting Town, that Hero gains +1 .
- *"Closest starting player" is the player whose starting Tile is closest to your starting Tile.*
